Vos Glass Honors Retiring Employee For 30+ Years of Service

Grand Rapids, MI – Vos Glass, Inc. is announcing the retirement of longtime employee Patricia (Pat) Merryweather.

Merryweather joined the company in 1982 and has served in a variety of functions over the past 33 years, including sales, safety and administration. Her retirement celebration will be hosted by Vos Glass on March 31, 2015.

Throughout her career, Merryweather inspired co-workers with an unwavering dedication to the company and its customers. Her decades-long tenure, contemporary standards, is a testament to both that loyalty and her exceptional, ever-evolving skills.

“This is a bittersweet occasion for us,” says Vos Glass President Linda Vos-Graham. “We are happy that Pat has exciting plans for a fulfilling retirement, but we will miss her and the sense of history she brought to the workplace. She was close to the company’s founders, Jake and Barb Vos, and she has great stories to tell about the early days.”

Vos Glass, Inc. is a professional, full-service glass company owned and operated in West Michigan. The company provides a full range of glass products and services for commercial and residential applications.
